Name .................................................................

**Digby**

Things Digby likes to do in the ‘underground’:

- 
- 
- 
- 

I would like to show Digby

________________________________________________________

in the ‘overground’ because

________________________________________________________

________________________________________________________

I don’t think Digby would like

________________________________________________________

in the ‘overground’ because

________________________________________________________
